Precautions when having fun on the Ninja Climbing SHINOBORI

You will be considered responsible for any damages, accidents or injuries cause to yourself, other customers or facilities. However, this will not apply in the case of serious disattention, negligence on our side, or whence we are liable by law.

Eligible customers: height over 100cm and weight below 100 kg. (We might need to check your height and weight)

Height over 120cm is required for MUSASABI.

- · This attraction is about 40 minutes long.
- · Visitors who leave half-way through cannot re-enter.
- · If you need, please use the washroom before starting.
- · Preschoolers must be accompanied by guests above 16 years of age.

We will refuse services to visitors in the following conditions:

- · Customers in bad physical conditions · Customers under the influence of alcoholic beverages
- · Customers unable to walk independently · Expecting mothers
- · Customers with acrophobia (fear of heights) · Customers with long or artificial nails
- Customers with one of the following medical conditions or with exercise restrictions prescribed by a medical doctor: head, back, spine (spinal cord), hands, feet or waist diseases; heart diseases; joints diseases; hypertension or other related diseases etc.

There might be the case that you will be requested to leave the Park.

In that case please acknowledge that no refund will be possible regardless of the reason. You will be requested to leave the Park under the following cases

- · In case you disobey the staff instructions.
- · In case of complaints by other customers regarding possible dangerous behavior on your side.

For safety reasons please put in the attraction lockers (free of charge) glasses, sunglasses, wristwatches, scarves, earrings, necklaces and other jewelry, as well as your wallets, mobile phones, keys and other belongings you would put in your pockets.
